Dear doctor,

I take immense pleasure in inviting you in "Mid-Term Symposium/ workshop -2010" of Uttaranchal Orthopedic Association on "Injury around Shoulder" being held at Hardwar on 23<sup>rd</sup>-24<sup>th</sup> October 2010. This annual mega event of UA-IOA is well attended by the Orthopaedic Surgeons not only of Uttarakhand but of adjoining states also. Eminent speakers of national & international repute are going to share their experiences with us as faculty.

Hardwar is an ancient city situated at the bank of holy river Ganges. A dip at HAR KI PAURI has the power to atone the sins of lifetime. Since time immemorial it had been at the forefront of Hindu religious renaissance. Many saint and sages like Guru Nanak, Sant Kabir and recently Baba Ramdev started their campaign of religious & social awakening of masses from this city only. Hardwar also serve as an entry point for famous "CHAR DHAM YATRA" circuit. City also boast of four state of art International universities in its vicinity.

On behalf of organizing committee I assure you that we will not leave any stone unturned to satiate your scientific appetite & to make your stay comfortable.
